An act to amend Section 51009 of the Education Code, relating to pupil instruction.

LEGISLATIVE COUNSEL'S DIGEST

AB 2269, as introduced, Swanson. Pupil instruction: Labor History Month.

Existing law deems the first week of April to be Labor History Week and encourages school districts to commemorate that week with appropriate educational exercises that make pupils aware of the role that the labor movement has played in shaping California and the United States.

This bill would instead deem the month of April to be Labor History Month and encourage school districts to commemorate that month with appropriate educational exercises, as specified.
